

OAKDALE STUDENT HANDBOOK 2009 - 2010

This booklet will be read in Spanish for our Hispanic students / parents upon request.

OAKDALE SCHOOL PHILOSOPHY

By enrolling at Oakdale, you become a part of an educational "family". Families work together for the good of the other members and that is Oakdale's goal. The purpose of education is to provide essential learning. It is our ultimate goal to supply each student with basic facts and experiences. These will aid our youth in becoming self-sufficient individuals so they can meet the demands of a rapidly changing society. We wish to instill in each student the importance of individual worth and to create a positive self-image through the personal development of initiative, resourcefulness, and responsibility. It is the intent of the faculty to lead students toward being disciplined, productive, informed, and fulfilled individuals. To achieve these ideas, mutual respect and understanding must be present in the learning process on the part of all participants - the principal, the faculty, the students, the home, and the community. As an effort to implement our philosophy, we ask our parents, students, teachers, principal, and superintendent to sign a voluntary pledge showing the goal of expectations and shared responsibilities that all of us share at Oakdale School as equal partners in student learning.

SHOT RECORDS: A copy of a current up to date shot record as defined by the Oklahoma State Department of Health must be submitted or on file at time of enrollment.

Student enrollment information should be kept up-to-date at all times. IF ANY INFORMATION CHANGES - ADDRESS, PHONE NUMBERS, ETC., CONTACT MS. DONNA IN THE OFFICE. WE MUST HAVE EMERGENCY INFORMATION AT ALL TIMES.

DRESS CODE

- All clothing must be appropriate for school according to weather conditions and activity. All students are expected to groom themselves neatly in clothing that is proper for school and school activities.
- Dresses, skirts, and shorts must be appropriate for school and school-related activities.
- Backless dresses or outfits of any type, midriffs, spaghetti straps, or low-cut blouses or dresses are not allowed.
- All shirts or blouses must be worn of a length that will cover and extend past the waistband of the skirt, shorts, jeans, slacks, or trousers. The stomach must not be exposed when standing normal.
- All straps on sleeveless shirts or blouses must be no less than three (3) fingers.
- Dresses, skirts, and shorts must be no higher than fingertip length (no fingers on skin) when the arms are extending down the individual's side.
- Items of wear may not advertise or display alcohol, tobacco, drugs, weapons, violence, or inappropriate language. Clothing that has any connotation of immorality, obscenity, nudity, racial, or gang activity is not allowed to be worn to school or school activities.
- Sagging trousers or the wearing of trousers in an inappropriate low manner are not permitted.
- Hats, caps, bandannas, stocking hats, or other headgear will not be allowed inside the building.
- All clothing must be properly fitted and worn with the proper foundation. Shirts or blouses that have large armholes that expose undergarments or body parts are not permitted.

The interpretation of the dress code will be at the discretion of the principal.

SCHOOL DAY TIMES:

Oklahoma State Law states that a school day shall not be less than six hours in length. The first bell will ring at **8:20**. School starts at **8:25** a.m. and is dismissed at **3:20**. Busses will leave at **3:27**. Please have your child at school on time. **Instruction time begins at 8:25.**

ATTENDANCE

ABSENCES: We expect all of our students to be in school. When a student is absent, the parent/guardian must phone the school on the day of the absence.

The following are considered valid excused absences: School activities, illness, doctor's visits, absence due to religious ceremonies, court appearances (must provide documentation),

and funerals. Parents are to inform the building principal and each of the student's teachers in writing stating the reason and dates the student will be absent. The building principal will make all final decisions regarding the classification of absences.

It is the responsibility of the student to arrange for make up work. This should be done immediately upon the return to school from an absence. Students have a minimum of ONE DAY make up privilege for each day of classes missed up to three days. Longer periods of make-up work are at the discretion of the teacher. A zero will be entered in the grade book for each day of absence. The zero may be removed when make-up work is completed and turned in within the time limits

TARDIES: Tardies disrupt the continuity of the instructional process and the time lost from class is irretrievable, particularly in terms of opportunity for interaction and exchange between students and teachers. Therefore, classroom punctuality is considered to be an integral part of the student's course of study.

The following are considered valid excused tardies: Tardies covered by a doctor's statement showing the date or dates under a doctor's care, school activities, religious ceremonies, court appearances, or funerals.

If your child is tardy (not at school on time), he/she must be **checked in by a parent** or guardian in the school office. Students who are tardy will not be allowed in class unless the classroom teacher receives an "**admit to class**" slip. Excessive tardies (3) will count as one unexcused absence.

ABSENCES DUE TO VACATIONS: It is best to take vacations during the summer, spring break, or on days school is dismissed. We realize there are times that special circumstances arise and a student must miss school due to a scheduled trip. If this happens the policy at Oakdale is for the student to get all work assignments before leaving on the trip, and the assignments must be completed and turned in the first day he/she returns from their trip. No exceptions.

CHECKING OUT OF SCHOOL DURING THE DAY: Parents must come to the office when taking a student out of school during the school day. Students will not be released from school except to a parent, legal guardian, or person designated by the parent in writing to take the child from school.

Students should not miss more than 10 days per semester in any class. Oakdale complies with state law and we do not want to have to turn names over to the District Attorney's Office because of this violation.

TRANSPORTATION:

We carry the most precious cargo in the world...our children. The state of Oklahoma has determined that school bus transportation is considered a privilege and not a right of the students attending the state's public schools (OK State Statute 70-90101). Oakdale asks parents and guardians to appreciate the efforts being put forth to care for their children and to cooperate with school administrators in their pursuit of safe transportation.

BUS: Riding the school bus is a privilege. All students who live in the Oakdale School District are allowed to ride the school bus. If you normally ride the bus, and decide not to one morning, please call the school office **before 7:25**. Please be on time at the designated school bus stop. This helps keep the bus on schedule.

Students are expected to behave at bus stops and on busses just as they are expected to behave in the classroom. The bus driver is a school official and has the right, duty, and the

responsibility to control behavior on the bus. They have the right to enforce all bus rules. Any student refusing to obey these rules will be reported to school authorities and may lose his/her riding privilege.

CARPOOL: Students not riding the bus are asked to arrive no earlier than **8:15**. Students should be picked up as soon after **3:25** as possible. Please follow the traffic flow and be courteous when traffic monitors are present trying to direct traffic. We consider this a safety issue and will deal with individual situations accordingly.

If a carpool student has not been picked up by 3:30, that student (PreK-8th Grade) will be sent to Oakdale's After-Care, and be charged the daily rate.

OTHER MEANS: We discourage students from walking to school. The traffic on Hefner Road is extremely busy and dangerous. **Walking to school is permitted only by prior approval of the principal.** The riding of bikes or motorcycles is also prohibited.

BEFORE AND AFTER SCHOOL CARE

Before school care:	7:30-8:20
After school care:	3:20-5:30
Cost:	\$30 per week/per child \$10 for drop-in's

See Ms. Janis or Ms. Donna for more information.

DISCIPLINE

Oakdale students are to conduct themselves as young ladies and gentlemen at all times. This includes times when students are on field trips, band contests, and athletic events that take them away from our campus. At all times every student must adhere to the rules, regulations, and policies that the administration and school board have developed. At Oakdale we expect our students to respect and be courteous to all teachers, school employees, other students, and visitors.

The Oakdale Board of Education recognizes that out-of-school conduct of students attending school within this district is not normally a concern of the board. However, the board believes that disciplinary action for conduct occurring off school property and not involving a school activity is proper if the conduct has an adverse effect upon the school.

Therefore, it is the policy of this board that any student attending school within this district will be subject to disciplinary action including, but not limited to, suspension from school for any conduct which, in the opinion of the school administrators, has an adverse impact upon the school, even if such misconduct occurs off school property and during non-school time.

DRUGS: Students using, possessing, distributing, selling, or under the influence of drugs at school or a school event is strictly prohibited. This could lead to suspension or expulsion from school and the involvement of law enforcement agencies.

WEAPONS: Oklahoma law states: Any student found in the possession of a firearm or dangerous weapon while on any public school property or while in any school bus or other vehicle used by a public school for transportation of students or teachers shall be suspended out-of-school for a period of not less than one year.

BULLYING: Bullying is repeated and uncalled-for aggressive behavior, often-unprovoked meanness. It is behavior designed to threaten, frighten or get someone to do

something they would not normally do. A stronger student against a weaker one usually directs bullying. Types of bullying include emotional, social, sexual, and physical bullying. Bullying will not be tolerated at Oakdale School. Disciplinary action will be at the discretion of the principal.

HAZING: Hazing is defined as an activity that recklessly or intentionally endangers the mental health or physical health or safety of a student for the purpose of initiation or admission into or affiliation with any organization sanctioned or authorized by the board of education.

It is the policy of this school district that no student or employee of the district shall participate in or be members of secret fraternity or secret organization that is in any degree related to the school or to a school activity. No student organization or any person associated with any organization sanctioned or authorized by the board of education shall engage or participate in hazing.

Students or employees who violate this policy will be subject to disciplinary action that may include expulsion for students and employment termination for employees.

HARASSMENT: Harassment is intimidation by threats of or actual physical violence; the creation by whatever means of a climate of hostility or intimidation; or the use of language, conduct or symbols in such manner as to be commonly understood to convey hatred, contempt, or prejudice or to have the effect of insulting or stigmatizing an individual. Harassment includes but is not limited to harassment on the basis of race, sex, creed, color, national origin, religion, marital status, or disability.

It is the policy of this school district that harassment of students by other students, or the public will not be tolerated. This policy is in effect while the students are on school grounds, in school transportation, or attending school-sponsored activities, and while away from school grounds if the misconduct directly affects the good order, efficient management, and welfare of the school district.

As used in the School Bullying Prevention Act, "harassment, intimidation, and bullying" means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another student, damage another student's property, place another student in reasonable fear of harm to the student's person or damage to the student's property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Harassment, intimidation, and bullying include, but are not limited to, a gesture or written, verbal, or physical act. Such behavior is specifically prohibited.

Students who violate this policy will be subject to disciplinary action taken by administration.

EMERGENCY NOTIFICATION

Students will be allowed to use the telephone only in case of an emergency. School personnel, not the student, will determine the emergency. If a parent needs to get in touch with their child, we ask that a message be left with the school office, which will be delivered to the student's classroom.

CELL PHONES: Student may only possess a wireless telecommunication device upon the prior consent of both a parent or legal guardian and school principal or superintendent upon a showing of medical necessity or in other appropriate circumstance. If a cell phone is found on a student without prior consent, it will be confiscated and kept in the principal's office until picked up by a parent. The same rules will be applicable to extracurricular activities such as athletic events, music contests, field trips, etc. The teacher or coach in charge will have a cell phone for students to use to contact parents as to when they are to be picked up from an event.

LUNCH PROGRAM

All money brought by a student will be credited to his/her lunch account. Whenever the student eats, the price of the meal will be deducted from his/her account. We prefer students to pay weekly or by the month. This makes bookkeeping for the parent and the school much easier. Students will be allowed to charge 10 meals before their cafeteria privilege is terminated. **NEW FOR 2009 – 2010**, as student account balances decrease the school lunch authority will “stamp” the student’s hand in order that parents will be able to have a reminder to pay lunch fees.

FREE /REDUCED MEAL APPLICATION: Every family at Oakdale will have access to an “Application for Free and Reduced-Priced Meals” any time during the school year. Parents are encouraged to complete the application for the benefit of Oakdale School. Being approved for free/reduced meals is more than just help for the families that qualify; it also enables Oakdale School to reap the benefits of other federal programs.

Cost per lunch: \$2.75

Adult lunch: \$4.00

HOMEWORK

The classroom teacher will, based on the needs of the students and the subject matter being taught, will determine the type, frequency, and quantity of homework to be assigned. We expect our students to do their homework and have it in on time. Most homework assignments are due the next class day. We have a no tolerance late work policy.

GRADING: Oakdale is on a Six Week grading system. Report cards will be sent home on Friday following each six-week period. The following is Oakdale’s grading scale:

PreK-2 grade M (mastery) 85-above
 P (partial knowledge) 84-66
 I (incomplete knowledge) 65-below

Grades 3-8 A 92-100
 B 91-83
 C 82-74
 D 73-66
 F 65-below

SEMESTER TEST: Students in grades 6, 7, and 8 will take test in all core subjects at the end of each semester. A schedule will be given to the student prior to testing dates.

EXTRA - CURRICULAR EVENTS

ELIGIBILITY: All students are encouraged to participate in extracurricular activities. The following requirements must be met. It is the policy of Oakdale School that only those students who are fully eligible scholastically will be permitted to represent the school in any capacity. This includes but is not limited to athletics. All extracurricular activities are included.

Teachers will submit ineligibility lists to the administration, athletic director, or a designated authority each Wednesday. A student will be considered ineligible from Wednesday after school until the following Wednesday after school.

Students will be placed on the ineligible list if the student has less than a “C” average in any subject/class.

The administration, athletic director, designated authority, or teacher will contact the parents of the ineligible student to inform them of the student’s ineligibility. The lack of parental notification from the school does not negate the ineligibility.

The first grade check will be during the fourth week of the first semester and each week thereafter.

The first time a student is placed on the ineligible list they will serve a probationary period of one week. During this probationary period, the student will be able to participate in extra-curricular programs. This probationary period will count towards the “**Three Strikes Rule**”.

Three Strikes Rule: A student can be placed on the ineligible list three times each semester. If a student is to be placed on an ineligible list a fourth time, they will be ineligible for the rest of the semester. At the beginning of the second semester, student ineligibility infractions will be 0 (zero). The exception will be that if a student has already had their probationary period, there will be none the second semester.

Students who are absent from school because of illness may not participate in an extra curricular activity the same day.

Students serving time in in-school detention or who have been suspended may not participate in an extra curricular activity until the duration of the detention or suspension is final. Detention and or suspension will count toward the “Three Strike Rule”.

Students who have not represented Oakdale in an appropriate manner, as determined by the sponsoring teacher, during a previous extra curricular activity may be excluded from participation at a future extra curricular activity. Determination of exclusion will be made by the administration, athletic director, or a designated authority.

Athletics: Ineligible athletes will be allowed to participate with their team. Ineligible students will not be allowed to attend games.

Transportation: Extra-curricular activities are an extension of the school day.

All in school rules apply not only during the activity but also during the transportation to and from the activity.

If Oakdale provides transportation, students are expected to use the school transportation to and from the activity. *Exceptions to this rule would be transportation by a student’s parent in lieu of the school provided transportation. Parents are asked to notify the activity sponsor as far in advance of the scheduled departure time as possible if they are transporting their child.*

Students will not be allowed to be transported by anyone except their own parent or guardian.

While on the bus and or at the activity, if possible, the sponsor will make available homework time for all students.

Students are not allowed to stay after school to wait for transportation to an activity or to wait for parents/guardians to pick them up unless they have permission from both the activity sponsor and the after school care providers which may charge them for after school care.

SAFETY DRILLS:

The safety of students and staff are the consideration in the development of emergency procedures. Fire and security drills are required by state law and Oakdale practices these drills according to the law. The classroom teacher will give students instructions for fire, tornado, lock-down, bus and other emergency procedures. These important safety precautions will be thoroughly discussed, reviewed, and posted.

CONTAGIOUS MALADY:

Children with any type of contagious malady, including head lice, will be sent home and not admitted back into school until declared free from the ailment (School Laws of Oklahoma 70-

120-194 and HB 1550). Students who have been sent home due to head lice must be cleared by a licensed professional such as the child's physician or the school nurse before returning to the classroom.

FEVERS:

Students having a fever of 100 degrees or higher need to be at home until they are FEVER FREE for 24 hours.

MEDICATIONS:

Students are not to be in possession of any type of medications while at school. These include all non-prescription drugs such as aspirin, Tylenol, Advil, etc. The school nurse or office personnel can administer these over-the-counter drugs when needed if the parent/guardian has signed the PERMISSION FOR MEDICATION TO BE ADMINISTERED on the student's enrollment form. Prescription medication will need to be checked in with the school nurse and a signed permission form will need to be on file along with the directions for administering the medication to the child. Students taking prescription medication during the school day will report to the nurse's office when time to take the medication. A student will be allowed to carry an asthma inhaler provided the nurse's office has a written statement by the parent/guardian/physician that the student having asthma is capable of self-administering the medication.

HEALTH SCREENINGS:

Non-invasive health screenings (hearing, vision, height, weight, BMI, temperature, blood pressure, pulse, scoliosis, head and neck, and dental hygiene) may occur during the school year. Parents will be notified. A PERMISSION FOR HEALTH SCREENINGS should be signed giving permission for these screenings. This form may be found on the student's enrollment form.

EMERGENCY:

In the event of a student accident at school, the nurse will be notified. It is important that current parent contact information be kept up-to-date at all times. This includes work, home, and cell phone numbers. Emergency contacts should also be available if needed.

PARENTAL INPUT:

Each local public school has several committees, which address the quality of the local program. Some of these are federal mandates such as Title I and some are state mandates such as Safe and Healthy Schools, CLEP, Staff Development. All these committees require parental input and membership. We encourage you to let the school administration know if you are interested in any area of the school program and there may be the opportunity for input. Regardless of any type of committee, you are always encouraged to voice your concern and even more so, your suggestions for improvement.

VISITORS:

Oakdale School welcomes parents to our school. For the safety and security of students and staff members, all visitors must report first to the office, sign in and obtain a visitor's badge. Upon departure, visitors are asked to return to the office to sign out. Classroom visits are intended for infrequent, short time periods only. Guests are asked not to interfere with the learning process unless directed by the teacher. Any discussion/comments about the visit should be made during an arranged meeting with the teacher. Parents should not visit with the teacher about their child during class time. Prior arrangements must be made with the child's teacher before a classroom visit. Students are not allowed to bring visitors to school. Exceptions may be made only by the administration.

SAFE-CALL:

SAFE-CALL is a confidential, toll-free school safety hotline that can be used by anyone in Oklahoma. It is available 24 hours a day, 365 days a year. A fully-bonded firm operates the hot line. Once a call is received, it is immediately transcribed and sent to the local school involved and to the State Department of Education. Each call received remains totally confidential. If you are concerned about the safety of your school, please use this hot line.

SCHOOL CLOSINGS:

If weather situation should necessitate the closing of the school, please listen to local television stations for current information. If the weather is such that you feel that bus travel is dangerous, please use your own judgment as to whether or not you wish to have your child ride. Remember, school buses are the safest transportation on the road.

During tornado season, if the tornado sirens go off during the school day, students will be directed to their assigned safe place. Oakdale has a good plan to protect your child. If you need to be with your child during an emergency of this nature and you choose to come to the school, we ask you to join your child in their safe place. We are asking you not to check your child out of school until the sirens have gone off and it has been cleared by local weather stations that the storm has passed. This is for everyone's safety. We appreciate your cooperation in this matter. Anything less puts all of us at a higher risk.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

(1) The right to inspect and review the student's education records within 45 days of the day the School receives a request for access.

Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate.

Parents or eligible students may ask the School to amend a record that they believe is inaccurate. They should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it is inaccurate. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, Oakdale School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education

District Wide Parental Involvement Policy

PART I. GENERAL EXPECTATIONS

The Oakdale School District agrees to implement the following statutory requirements:

The school district will put into operation programs, activities and procedures for the involvement of parents in all of its schools with Title 1, Part A programs, consistent with section 1118 of the Elementary and Secondary Education Act (ESEA). Those programs, activities and procedures will be planned and operated with meaningful consultation with parents of participating children.

Consistent with section 1118, the school district will ensure that the required school-level parental involvement policies meet the requirements of section 11118(b) of the ESEA, and each include, as a component, a school-parent compact consistent with section 1118(d) of the ESEA.

The school district will incorporate this district wide parental involvement policy into its LEA plan developed under section 1112 of the ESEA.

In carrying out the Title 1, Part A parental involvement requirements, to the extent practicable, the school district will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format and, including alternative formats upon request, and, to the extent practicable, in a language parents understand.

If the LEA plan for Title 1, Part A, developed under section 1112 of the ESEA, is not satisfactory to the parents of participating children, the school district will submit any parent comments with the plan when the school district submits the plan to the State Department of Education.

The school district will involve the parents of children served in Title 1, Part A schools in decisions about how the 1 percent of Title 1, Part A funds reserved for parental involvement is spent, and will ensure that not less than 95 percent of the one percent reserved goes directly to the schools.

The school district will be governed by the following statutory definition of parental involvement:

Parental involvement means the participation of parents in regular, two way, and meaningful communication involving student academic learning and other school activities, including ensuring

(A) that parents play an integral role in assisting their child's learning;

(B) that parents are encouraged to be actively involved in their child's education at school;

(C) that parents are full partners in their child's education and are included, as appropriate, in decision-making to assist in the education of their child;

(D) the carrying out of other activities, such as those described in section 1118 of the ESEA.
