COLLEGE OF NURSING

To whom it may concern,

The University of Oklahoma College of Nursing in conjunction with Oakdale Public Schools is hosting a "baby shower" benefiting the Infant Crisis Services. During the month of February 2012, we will be collecting donations for this event.

The Infant Crisis Services is a non-profit organization who provides emergency assistance to children who would otherwise go without the basic necessities. In Oklahoma, 23 percent of children live in poverty and are at great risk of experiencing food insecurity. When you donate formula, diapers, and other essentials to Infant Crisis Services, they give them to babies and toddlers who are in need of immediate help.
