

Oakdale School Foundation

Mission Statement: To enrich the education of our children by equipping our faculty in their pursuit and maintenance of high standards of effectiveness, and enhancing the total learning environment.

We strive to achieve this mission by hosting our two annual fundraising events, the Rocket Run in October and the Auction in April or May. The funds raised each year from these two events provide support to the students and staff. Teachers are invited annually to make grant requests for materials and/or equipment to enhance their curriculum. The Foundation also provides a variety of items to upgrade and enhance the overall school environment. Grants for the 2010-2011 school year have been approved and will exceed \$115,000! Some examples of the approved grants are, Smart Board technology for several classes, a climbing wall for the lower grade playground that has been purchased and will be installed soon, equipment upgrades for the cafeteria, along with the wealth of items provided in various classrooms. Ask your teachers about their grant items!

Rocket Run 2010

The 2010 Rocket Run will be held on Wednesday, October 20th. Last year the Rocket Run raised over \$47,000. The Rocket Run provides an excellent opportunity to advertise your business to the Oakdale community. Sponsorships include your name or company name on the official Rocket Run t-shirt and start at just \$250. For sponsorship details, see the back of this form or call any OSF Board member. Start training for another great run!

Oakdale Auction

The Oakdale Auction is held each spring in late April/early May. The 2010 Auction raised over \$65,000. There are many opportunities to be involved in this outstanding event. From class projects, to committee positions, to securing donations, to attending the event and bidding on all of the great items, there is a place for every Oakdale family to be involved and WE NEED YOU!

Sign up at Information Day to be a Class Project Coordinator for the auction projects. Ask a friend to sign up with you! Call any OSF member for more information!
